

ORAL PRESENTATION GUIDELINES FOR PRESENTERS

The following are guidelines for oral presentations at the Nature Based Coastal Solutions and Ecological Restoration (NBCS-ERS) 2024.

Oral Presentations:

- 7 minutes for presenting (2 lightning presentations will be held within a 15 minute time slot)
- PowerPoint (.pptx) file format compatible with MS Windows 10. Presenters will be asked to upload their presentations in advance of the event by **June 21, 2023**.
- All oral presenters will be asked to participate in a 15-minute moderated question/discussion period at the end of their session.

The following guidelines are provided to speakers to ensure effective presentations with greatest benefit to both speakers and audience, and to enhance quality and efficiency of NBCS-ERS:

- Presentations should contribute to the body of knowledge in the broad area(s) of:
 - Nature Based Coastal Solutions;
 - Ecological Restoration.

The objective is to share information, perspectives and experience to advance science/knowledge, best practices and policy.

- Speakers are urged to be mindful and respectful of the assigned time frame assigned to their presentation. Speakers should rehearse their presentations in advance to ensure they effectively and efficiently cover the desired material in the time allotted.
- Speakers should avoid the use of copyrighted materials in presentations, unless prior permission is granted.

Confirm your attendance at the NBCS-ERS 2024 by registering no later than May 24th or your presentation may be cancelled.
